DEC 2024

Dear Team

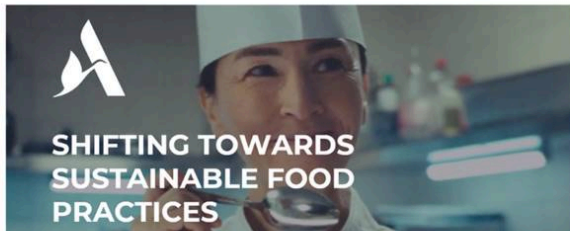

As we close with our final F&B Newsletter for the year, our regional leads Tony Chisholm and Ben Creek took the time to reflect on the past year and share their vision for 2025.

"Throughout the Pacific, it has been inspiring to see the passion, energy and drive to innovate and deliver great results for the business. [...]" - Ben

"It's been an epic culinary year for our region with so much going on it's actually hard to capture and list all of the accomplishments in one last newsletter. [...]" - Tony

Thank you all for your incredible work in 2024, and we look forward to 2025 with you. Wishing you and all of your families a wonderful festive season.

Sustainable Food

Food is a very emotional subject. It is deeply intertwined with personal experiences, culture, and identity. It is a significant expression of culture and heritage. It is a reflection of who we are, where we come from, and how we connect with the world and others. Therefore, tackling it with rational arguments only cannot work. **However, understanding the science behind the why is key.** Our global sustainability team shares more on this topic [here](#).

In this newsletter you can expect:
