Dear All,

Please confirm a meeting time this week so we can discuss and finalize the catering breaks for IGLTA as I would like to complete so that we have time without stress to organize equipment not only for this event but future for ongoing future events that we can use similar theming.

Etienne/ David after this discussion we can highlight the proposal for the week of October fest that we will run around the same time as the IGLTA event. I would also like to take a walk down to Kuroman markets for inspiration and while Steven is here.

Kind regards,

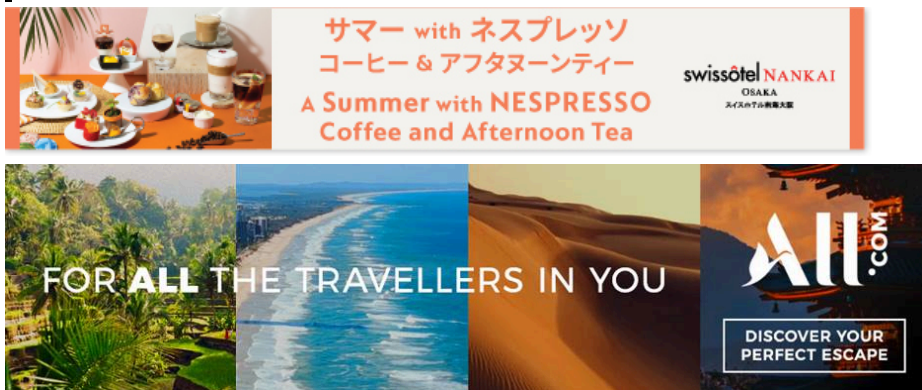

シェーン・エドワーズ
