Team,

I would like you to start thinking about major events we can host in Table 36 for 2025.

In January, I will schedule some time to discuss, however, I would appreciate you coming with your own ideas.

On the top of my head;

Italian long lunch series

French degustation dinners

Greek festival buffet

Quartet dinner with champagne and caviar etc.

Also, should we do buffets on Sunday nights also? We get a very good spend from this, and a lot of locals love the buffets.

Its a premium venue, so please keep this in mind, we can attract a very good average spend.

Appreciate you taking some time to think on this.

Warm Regards,
